## EXPERIENCE

### Owner, Saint Lawrence Gridiron

Boise, ID - Feb 2015 - Dec 2019

- Took over an extremely disorganized restaurant with a dysfunctional culture and created systems for workflow and pride in our establishment.
- Improved all relevant restaurant metrics, such as labor, cost of goods sold, etc, in most cases by half.
- Performed all booking and payroll services.
- Managed cash flow and paid off all accounts payable that were in arrears when I obtained the business.
- Served as the face of the business, giving press interviews and securing media coverage.
- Hired and maintained all staff, including training and scheduling.
- Directed the social media program, which served as our main form of advertising, gaining over 5,000 followers.
- Did all graphic design and menu design for the business, including photography.
- Negotiated favorable terms with the property owner and vendors.

### Property Manager

Boise, Idaho - Oct 2015 - Present

- Purchased several cash-flowing properties, having successfully identified areas of outlier growth within Ada county.
- Maintained and upgraded the properties, increasing their value.
- Maintained accounting for the small business, as well as compiling the taxes.
- Interviewed potential tenants and successfully maintained a one hundred percent occupancy rate.

### Operations Manager, Cornerstone Equity, LLC

Louisville, Kentucky - May 2013 - Jan 2015

#### Accomplishments

- All qualitative metrics (food cost, labor percentage, etc) were consistently in the top 150 per brand nationally.
- All guest service checks were consistently above the 65th percentile per brand nationally
- Oversaw the payroll services entire company and three restaurants

### Paratrooper Scout, 82nd Airborne, U.S. Army

Ft Bragg, North Carolina - 2004 - 2007

#### Accomplishments

- Completed Infantry OUST and Jump School
- Deployed to the Sulaimani region of Iraq to help establish Ft. Suse.
- Jumped out of a lot of planes and cleaned a lot of rifles.
